Allhamdullah who
create and guide us and make
us Muslims. This book
**Students' guide to Tajweed
Rules** is a small step in
Tajweed journey, it includes

Accept from all of us

أزكى التحيّات وأجملها وأنداها أرسلها لكم
بكلّ الودّ والحب والإخلاص شاكرة لكم على
كل ما قدمتموه لي ، وكل ما نصحتم لي به .
عندما أتذكر كل ما صنعتم لأجلي كي أصل
إلى الذي وصلت إليه في يومي هذا فإن لساني
يقف عاجزاً على قول أيّ شيء ، فعبارات
الشكر قليلة، وكلمات الشناء لا تستطيع أن
توفيكم حقكم، ولكم مني كل التحية
والتقدير. من لا يشكر الناس لا يشكر الله،
وأنتم تستحقون أندى عبارات الشكر والعرفان
فلولا الله ثم أنتم لما حققت ما أريد فقد كان
نجاحنا اليوم ثمرة العمل المشترك الذي لم يكن
ليتحقق لولا عملنا جميعاً ، فكل الشكر
والعرفان لكم.

Al-Ist'adhah

I seek refuge with Allah from the accursed Satan

Better to Say it secretly

1- If the reciter reads secretly alone or with group

2- In the prayer

3- If the reciter is alone either he read loudly or secretly

4- If the reciter is among group but he is not the one who starts reading

Note: if the reciter cut his recitation to talk or doing anything not related to the recitation he has to say Ist'adhah again

Al-Bassmalah

In the name of Allah, the most gracious, the most merciful

Must say the Bassmalah

1- At the beginning of every surah, except surat Al-Tawba.

2- At the beginning of the reading

3- If the reciter finished a surah and wants to read the same surah again

4- If the reciter finished a surah and wants to read another surah that located before this surah

Note: Inside the surah even after one Ayah from the beginning of the surah the reciter has the choice to say Bassmalh after Al Ist'adhah or Just say Al Ist'adhah only

Methods of saying Al Ist'adha and Al Bassalah with the beginning of the surah

Noon and Meem Mushaddad

If a Meem or Noon is Mushaddad, has a shadah sign on it, the reciter must Apply Ghunnah (Nasal sound) For 2 (counts) on it.

Note: if the reciter wants to stop on a word ending with Noon or Meem Mushaddad, he has to apply the ghunah as well

Examples

Note: The Meaning of Mushaddad letter is A doubled letter first one is sakin and the second one is voweled (has a short vowel)

Qalqalah

Qalqalah is like a vibration or an echo sound

If any of the letters of Qalqalah in the case of sukoon, we will read it with an echoing sound, whether they are in the middle of a word or at the end

Letters of Qalqalah:

[ق ، ط ، ب ، ج ، د]

Gathered in the phrase قُطْبُ جَدِّ

Note: Qalqalah letters can be sakin letters because they **have the sukoon sign** or **due to stopping**

ق ط ب ج د

There are three types of Qalqalah:

Qalqalah Kubra (Strong):

occurs at the end of a word that ends with Shaddah sign on the qalqalah letter, and we **stopped** on it.

Qalqalah Wusta (Medium):

occurs at the end of a word that has a qalqalah letter with any sign except shadah sign, and we **stopped** on it.

Qalqalah Sughra (weak):

occurs in the middle of a word that has A sakin qalqalah letter, or within the reciting.
